Editorial Policy

The Editor welcomes contributions directed at increasing scientific, cultural and educational understanding of any aspect or area of music - music pedagogy, music technology, music composition and analysis, dance and theatre, ethnomusicology, and historical musicology. Papers forwarded for consideration should not have been published or submitted for publication elsewhere. Such papers may be either a report of original empirical investigations containing systematic analysis of relevant data, or reviews, critiques and other contributions of a theoretical nature. Special encouragement will be given to studies carried out in naturalistic contexts.

Authors are required to submit their manuscripts electronically through our email: music@unizik.edu.ng in Microsoft word format.

Opinions expressed in the Journal are entirely those of the authors.
